I write to transmit materials required by the Administrative Settlement Agreement and Order on Consent for Removal Action ("Settlement Agreement") between the United States Environmental Protection Agency, Region 5 ("Region 5"), and Statoil USA Onshore Properties, Inc. ("Statoil"), Docket No. V-W-14-C-012. The Settlement Agreement became effective on August 20, 2014, upon Statoil's receipt of the Settlement Agreement from Region 5. Paragraph 72 further specifies that Statoil shall provide Region 5 with certificates of such insurance and a copy of each insurance policy within seven days of the Effective Date of the Settlement Agreement. Thus, by the terms of the Settlement Agreement, Statoil is required to provide Region 5 with certificates and copies of the insurance policies on or before August 27, 2014.

Further, Paragraph 19 of the Settlement Agreement requires Statoil to submit three copies of "submissions required by this Settlement Agreement." See Paragraph 19.b. Accordingly, enclosed please find three copies of Statoil's certificates of comprehensive general liability
